FROM THE PRESIDENT

VIRES, ARTES and MORES are the Latin words for strength, skill and character found within the FSU Seal. The Seal, which is one of the symbols we associate with Florida State University, represents 168 continuous years of service in education as noted in the ALUMNI ASSOCIATION 2020 CALENDAR.

Since I retired in 2003, I have become aware of some of the “service” contributions many of my fellow FSU Retirees continue to make even in retirement. They may continue to serve as educators, donate financially, volunteer when and where needed, spend time with individuals in need of companionship, etc. The services retirees provide after retirement are too numerous to list. The following are a few I am aware of:

- A retiree from the College of Social Science, teaches classes on Genealogy, writes Newsletters, and serves on numerous committees, all while continuing to support his former FSU department.
- A former Psychology Professor, is a talented artist in woodworking in numerous forms. He donates many beautiful pieces for charitable causes, while continuing his support of an endowment to sponsor an annual scientific lecture and personally providing funds to endow annual awards to loyal staff members and outstanding Undergraduate and Graduate students in the department.
- A former Dean keeps busy with all manner of committee work and as a volunteer lecturer, while utilizing her medical knowledge to advise on many issues involving care for aging adults.
- Several former department administrators serve as docents for the Presidents’ House and other University venues.
- A number of former Administrative staff continue to serve on University committees and Boards.

Even though ARF has not been able to meet recently due to pandemic restrictions, many of our current members are continuing the FSU mission to serve. We are hopeful that the newest associates who have joined the FSU Retiree ranks

IN MEMORIAM

If any member learns of a death that does not appear in the Tallahassee Democrat, please let the Memorial chairs know about the death and their name will be added to our list.

Thank you,
Tom & Esther

From the President-Elect

It is with hope and excitement that I want you know about our plans for Spring, 2021. The first event is The Spring Barbeque. In order to give our members time to get both doses of the COVID-19 vaccination and wait the required time to achieve maximum efficacy of the shots, the date of the Spring Barbeque is Wednesday, March 31st. The Barbeque will take place, as usual, at the FSU Reservation.

To maintain safety, the event will take place outdoors. We will be in the Pavilion, which is a covered area adjacent the Meeting Center. We are limited to 50 people in that space. So, please mark your calendars for March 31st, and make your reservations soon.

This year we will not have a serving line for the food. Instead, individual lunches will be prepared and boxed by Sonny's BBQ. This will minimize contact with the food.

The program for the Barbeque is a favorite of our membership. Dr. Lisa Liseno, Assistant Dean of the Graduate School and Director of the Program for Instructional Excellence and Dr. Craig Filar, Associate Dean of Undergraduate Studies and the Director of the Office of National Fellowships will bring two graduate and two undergraduate scholars to share their academic journeys and their research. These programs are always engaging and enlightening.

The cost for the Barbeque is only \$12. per person. The BBQ will begin at 11:30 AM.

Please make your reservation by making a check payable to "ARF" and sending it to:

Tom McCaleb
3037 Godfrey Place
Tallahassee, FL 32309-2115

Our second event is the much beloved Spring Luncheon. The Luncheon is scheduled for May 4th in the FSU Alumni Center Ballroom. The event will begin with a Social Hour at 11:00 AM, followed by lunch and our guest speaker, Dr. Sharon Nicholson, Professor of Meteorology, and the 2020-2021 Robert O. Lawton Distinguished Professor. It will be wonderful to reconnect with everyone. We have much catching-up to do! Please watch for more information about the Spring Luncheon in our April edition of the Retiree Journal.

During the month of April, we are planning an in-person tour of the FSU Department of Earth, Ocean and Atmospheric Sciences. The tour will take place in the new EAOS Building, which was dedicated February, 2020. The tour will afford us an up close and personal view of the many exciting areas of study and research going on in the Department Earth, Ocean and Atmospheric Sciences. We are in the process of finalizing a date for the tour. Please watch for news of this exciting visit in your email and in the April Retiree Journal.

I am looking forward to seeing all of you soon!

Friendship News

Betty Lou Joanos and Marian Moore are the new chairs of the Friendship Committee of ARF succeeding John and Jenny Bryant and Ivy Mitchell. Following the capable leadership of these three, we plan to continue with the primary responsibility for this committee: to contact members, spouses or family members residing in Tallahassee when health issues for any of these arise.

We encourage members to contact us when you learn of the illness of one of our ARF family so we may send a card, make a phone call, or visit personally (the latter when this virus has passed).

Presently we are in the process of recruiting several ARF members to assist us in communicating with others in the organization during this time of "sheltering in place".

Nominations: ARF Board of Directors

The Nominating Committee for the FSU Association of Retired Faculty was made up of: Larry Gerber, President-Elect, Betty Serow, Ivy Mitchell, and Nancy Turner, Past President and Chair of the Committee. Nominees are:

President-Elect - Kirby Kemper
Secretary - Jill Adams
Treasurer - Tom McCaleb
Member-at-Large, (Term: 2021-2023) - Ivy Mitchell

This slate of officers will be presented to the membership for electronic voting prior to the Spring Luncheon. Their term of service will begin at the Joint Board Meeting on Tuesday, May 18, 2021.

Membership News

Members, Welcome to our Spring season! Things are looking up as more and more of us complete our COVID-19 vaccine cycles, allowing for the possibility of actually meeting in person before summer. Throughout these pages you will find the dates and locations of upcoming events, virtual and/or in-person. Please join us!

We currently have 138 paid memberships (includes individuals and households), including 16 new retirees. This is certainly a strange way to begin retirement, without access to some of the activities you have been putting off until his time, but if you have retired this year, or know someone who has, we are here for you. Please join us by sending your check made payable to ARF (\$10 per individual or \$15 per household) to our treasurer Tom McCaleb at 3037 Godfrey Place, Tallahassee 32309.

We have lost track of 41 households that were members last year but have not rejoined. If you are one of these, it's not too late to rejoin, and the added benefit is that if you have moved away you can join us virtually from anywhere.

I look forward to seeing many of you again in person!

Betty Serow, Chair
Membership Committee

ARF Membership Policy

Effective with the by-laws that were adopted four years ago, ARF's fiscal year is now defined as June 1-May 31. New memberships and membership renewals received anytime between these dates apply only to the current fiscal year. For example, if you join ARF for the first time, or rejoin ARF after a lapse, or renew your membership at any time after June 1, 2020, and before May 31, 2021, the membership is valid until May 31, 2021.

Because our accounting system is not very sophisticated, based as it is on a simple Excel spreadsheet, it is not possible to accept new memberships or renewals for the next fiscal year in advance. In other words, you will not be able to join ARF for 2021-2022 or renew your membership for 2021-2022 prior to June 1, 2021.

This raises the issue of members who make multiple payments during the year. Because of the above policy on advance renewals, these overpayments cannot be applied to the following fiscal year. A number of years ago, the ARF Board addressed the question of overpayments and multiple payments during a fiscal year. The Board adopted a policy of not refunding overpayments or multiple payments of membership dues. This decision was made because of the accounting challenges involved given our simple accounting system and the costs of issuing and mailing refund checks. Instead these overpayments and multiple payments are treated as donations to ARF. Keep in mind, however, that because we are not a 501(c) 3 organization, these donations are not tax-deductible.

If you are ever in doubt as to whether you have paid dues for the current year, please do not hesitate to contact me by email to inquire. It takes very little time and effort on my part to check your status and to respond to you, and unless I am out of town and away from my records, I will respond quite promptly. My email address is tmccaleb@fsu.edu, and I'm always happy to hear from you and to answer any questions or address any problems you might have about ARF. I prefer to communicate by email but for those members not having access to email, my telephone number is (850) 933-7653.
