FROM THE PRESIDENT

When you were a child did you ever play the “glad game” to help you forget your troubles and brighten your day?

Ever tell a parent, “I don’t want to wear those old shoes”, and get the response, “. . . think of all the poor people who don’t even have shoes . . .”

Growing up did you dislike and try to avoid eating certain foods. A typical and unsympathetic parental response would be, “. . . think about all the starving children in . . . .”

Personally, I have had to play the glad game during the Pandemic. Anxiety, isolation and boredom interfered with and affected my normal routines. Luckily, I was introduced to ZOOM and kids and grandkids were GLAD to help cure my computer inadequacies. Extraordinary efforts of ARF Board members have helped our Association to not only survive, but to thrive during these COVID dominated months. The recent Barbeque at the beautiful FSU Reservation was our first public event in over a year. The student speakers, delicious food and opportunity to speak personally with fellow ARF members created happy memories. Future wise, we are looking forward to a campus tour and an exciting Spring Luncheon.

While Campus life has changed since many of us retired, it seems that the dedication of our ARF members to all things FSU is as strong as ever. Our new retirees continue to enhance our organization with exciting ideas and experiences.

Florida State University is a combination of extraordinary faculty, dedicated staff and engaging students. Our Association continues to recognize the history and support the future of this great University.

## From the President-Elect

I am very happy to report that after our successful Spring Barbeque on March 31st, we are “full speed ahead” in planning out next two events—the ARF Tour of the new facilities for the Department of Earth, Ocean and Atmospheric Sciences (EOAS) on Tuesday, April 27th, and our Spring Luncheon at the FSU Alumni Center on Tuesday, May 4th.

The Spring Tour of EOAS Building will be Tuesday, April 27th. We will gather in the EOAS building at 10:00 a.m. for coffee. The tour will begin at 10:30 and last for approximately one hour. We will be addressed by the Dean of Arts and Sciences, Sam Huckaba. Our tour guides will be the Chair of EOAS and Professor of Geology, Vincent Salters and former EOAS Chair and Professor of Geology, James Tull. Professors Salters and Tull will highlight the technology and lab spaces of the facility, and conduct a brief session covering key research projects, faculty stars, and student experiences. The EOAS Building was dedicated in February 2020.

The date of our tour is between the spring and summer semesters. So, we will have no problem parking in the Parking Garage located at the Main FSU Bookstore on Woodward Avenue. Jimmy Cole has indicated he will be able to provide a golf cart or two to help those who would like a ride to get from the parking garage to the EOAS Building which is located just north of the FSU Book Store.

This promises to be a most exciting and eye-opening event. If you are planning to attend, please email me at, lgerber@fsu.edu This will help us plan for coffee and for the tour groups. The College of Arts and Sciences and the Department of Earth, Ocean and Atmospheric Sciences are rolling out the red carpet for us. Let us reciprocate with a large group of ARF members for this wonderful tour! If you have any questions, please email me (lgerber@fsu.edu). I promise to respond quickly.

# Friendship News

Betty Lou Joanos and Marian Moore are the new chairs of the Friendship Committee of ARF succeeding John and Jenny Bryant and Ivy Mitchell. Following the capable leadership of these three, we plan to continue with the primary responsibility for this committee: to contact members, spouses or family members residing in Tallahassee when health issues for any of these arise.

We encourage members to contact us when you learn of the illness of one of our ARF family so we may send a card, make a phone call, or visit personally (the latter when this virus has passed).

Presently we are in the process of recruiting several ARF members to assist us in communicating with others in the organization during this time of "sheltering in place".

# Membership News

Members, Welcome to our Spring season! Things are looking up as more and more of us complete our COVID-19 vaccine cycles, allowing for the possibility of actually meeting in person before summer. Throughout these pages you will find the dates and locations of upcoming events, virtual and/or in-person. Please join us!

We currently have 138 paid memberships (includes individuals and households), including 16 new retirees. This is certainly a strange way to begin retirement, without access to some of the activities you have been putting off until his time, but if you have retired this year, or know someone who has, we are here for you. Please join us by sending your check made payable to ARF (\$10 per individual or \$15 per household) to our treasurer Tom McCaleb at 3037 Godfrey Place, Tallahassee 32309.

We have lost track of 41 households that were members last year but have not rejoined. If you are one of these, it's not too late to rejoin, and the added benefit is that if you have moved away you can join us virtually from anywhere.

I look forward to seeing many of you again in person!

Membership Committee

# ARF Membership Policy

Effective with the by-laws that were adopted four years ago, ARF's fiscal year is now defined as June 1-May 31. New memberships and membership renewals received anytime between these dates apply only to the current fiscal year. For example, if you join ARF for the first time, or rejoin ARF after a lapse, or renew your membership at any time after June 1, 2020, and before May 31, 2021, the membership is valid until May 31, 2021.

Because our accounting system is not very sophisticated, based as it is on a simple Excel spreadsheet, it is not possible to accept new memberships or renewals for the next fiscal year in advance. In other words, you will not be able to join ARF for 2021-2022 or renew your membership for 2021-2022 prior to June 1, 2021.

This raises the issue of members who make multiple payments during the year. Because of the above policy on advance renewals, these overpayments cannot be applied to the following fiscal year. A number of years ago, the ARF Board addressed the question of overpayments and multiple payments during a fiscal year. The Board adopted a policy of not refunding overpayments or multiple payments of membership dues. This decision was made because of the accounting challenges involved given our simple accounting system and the costs of issuing and mailing refund checks. Instead these overpayments and multiple payments are treated as donations to ARF. Keep in mind, however, that because we are not a 501(c) 3 organization, these donations are not tax-deductible.

If you are ever in doubt as to whether you have paid dues for the current year, please do not hesitate to contact me by email to inquire. It takes very little time and effort on my part to check your status and to respond to you, and unless I am out of town and away from my records, I will respond quite promptly. My email address is [tmccaleb@fsu.edu](mailto:tmccaleb@fsu.edu), and I'm always happy to hear from you and to answer any questions or address any problems you might have about ARF. I prefer to communicate by email but for those members not having access to email, my telephone number is (850) 933-7653.
